# ASTON MARTIN X QUINTESSENCE YACHTS AM37 POWERBOAT

SUNNY on May 6, 2015 at 11:28 am

Designed by one of the most storied luxury automotive makers in the world, Aston Martin presents the AM37 Powerboat in collaboration with Quintessence Yachts. The AM37 Powerboat boasts an overall aerodynamic and sleek design, which provides the vessel with sports car-like handling, additional performance enhancements, as well as necessary comfort. The 37-foot boat comes with a range of high-end features, from interactive voice control, to an HD-integrated touchscreen and other remote controlled functions. The Aston Martin ethos of power and beauty has been successfully translated into the yachting environment – [SEE MORE](#)
