Quintessence Yachts Collaborates with Aston Martin for the AM37 Powerboat

Recently our friends at Aston Martin collaborates with Quintessence Yachts to create the stylish AM37 Powerboat. The high-speed boat that will, some day, reach production. The 37 foot model will be available in two levels of trim. The AM37 S will be a sportyacht with a maximum speed of 60 knots (69mph), and the AM37 is what the company describes as "a gran turismo leisure boat with an even higher degree of luxury". But don't worry, it'll still hit 50 knots (57mph). This powerful speedboat also combines the expertise of both brands in their respective fields to produce a high-technology composite structure that boasts sports car-like handling, an interactive voice control and activation, fully HD-integrated touch screen, and remote controlled functions.
