Five of the Best... Dayboats

By [Dominique Afacan](#) Dayboats, Five of the best, Superyacht, Tenders, Toys

Whether you're after a chase boat for your superyacht or you just want to fly across the water at lightning speed, these pocket rockets could be just the boats for you.

AM37

The Aston Martin/Quintessence yachts [collaboration](#) grabbed an impressive number of headlines when it launched at last year's Monaco Yacht Show. This year, they were back again, showing two bespoke versions, one red and one teal. At just over 11m, this is one powerful pocket rocket, with top speeds reaching 50 knots.

They say: "Clients have almost limitless options to personalise the specification, colour and interior."
