

A MONTH ON THE STAGE

After making its world premiere in Monaco last September, the prototype Aston Martin AM37 powerboat recently travelled to USA at Yachts Miami Beach Show. The Aston Martin AM37 challenges the status quo of the nautical world and offers a pure translation of the brand's DNA into an entirely new maritime concept, combining innovative technology and bespoke craftsmanship with a perfect balance of design and engineering, performance and comfort, luxury and functionality. The boats are built at the UK premises of Quintessence Yachts to an extremely high standard
